BOUNTY PROGRAM

(FREE SOCIAL MEDIA EARNING)

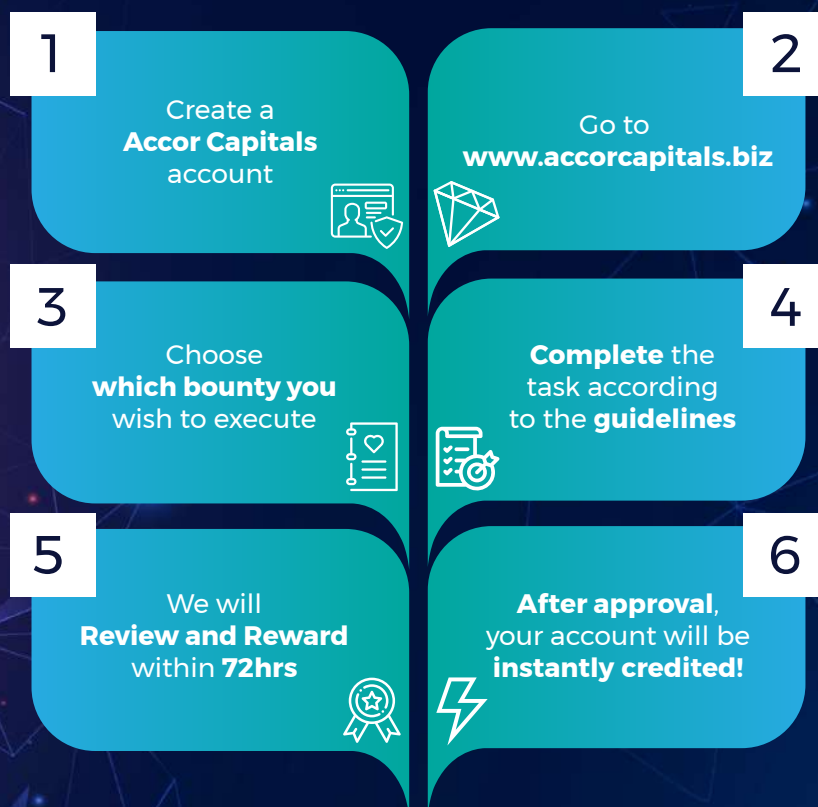

Accor Capitals offer its users and supporters a cohesive and detailed bounty program. The bounty system is a reward mechanism that we offer to individuals for spreading the word and popularizing the platform in various ways. This document has been prepared with the goal of familiarizing our users with the best practices for creating content that will be most useful to platform, and therefore receive the highest value for the appropriate bounty category.

Accor Capitals bounty program is an opportunity to get up to **500 Bitcoin** (Max. 300 Million USD) for free by performing simple actions aimed at the project popularization.

Hurry up! Only the first 50000 participants get bonuses; that is 50000 people, who submitted requests after posting news in Facebook, YouTube, Telegram, Instagram, Twitter, Virtual meeting (Zoom), V Kontakte, Bitcointalk.org, Personal Blog or Website, Trust pilot review, Forum Signatures, Deposit & Withdrawal proof screenshots testimonials, WhatsApp groups post, tumbler post and referral link post to build team network.

DISCLAIMER: Accor capitals is a Trading Investment platform and the bounty system is only a part of our advertising campaign, aimed at rewarding our most socially active investors. Accor Capitals reserves the right to decline any submission for any reasons.
